

ATHLETE DEVELOPMENT PROGRAM

# application for 2020 entry

APPLICATIONS CLOSE: AUGUST 21 2019

# ABOUT THE ATHLETE DEVELOPMENT PROGRAM

The Athlete Development Program (ADP) is dedicated to improving educational and sporting outcomes within its community.

ADP provides an opportunity for student-athletes to pursue their passion through a holistic academic and sport-based partnership. Individualisation and specialist nature underpin its foundations.

At a physical level, it aims at providing student-athletes with long-term athletic development training within a secondary college environment. To complement this, elite-level technical coaching is provided in a variety of sports.

Each member of ADP's coaching staff has specialised and extensive skills and experiences to facilitate the elite-level program. The emphasis placed on integrating students' passions, academic progress, behavioural expectations and effort requirements are the cornerstone of the program.

ADP is designed to 'value-add' and support the student-athlete's sporting commitments and goals. Each student-athlete must adhere to academic and behavioural standards, attendance and effort to remain enrolled in the program. All requirements are outlined in the ADP Student-Athlete Agreement, which is signed on accepting an offer to the program.

Annual select-entry includes application to either the full or Associate Program. The full program includes: timetabled strength and conditioning classes, technical training, and access to the health and personal development curriculum.

The Associate Program includes morning strength and conditioning classes and select-entry to technical squad training.

You can discuss variances with ADP staff by contacting [adp@bse.vic.edu.au](mailto:adp@bse.vic.edu.au).

## Program entry

To be considered for entry, applicants must:

- Be enrolled at Bendigo South East College, Crusoe College, Eaglehawk Secondary College and Weeroona College Bendigo for 2020
- Submit a complete ADP application by August 21
- Attend selection trial(s), as required

## Annual fees

As participation in the BEP Athlete Development Program is voluntary, fees apply. The fee for 2020 can be found on the BSE website. These are in addition to college fees and are not refundable. The annual ADP fee does not include the cost of camps and excursions.

## Progressive and Annual Reviews

Acceptance into the Program for any year does not lead to automatic acceptance the following year. Applicants must sign the ADP Student-Athlete Agreement each year. Both academic achievement and sporting progress are regularly reviewed throughout each year. Student-athletes must consistently satisfy academic, conduct and sporting criteria in order to maintain their place in ADP each year, according to agreed conditions in the ADP Student-Athlete Agreement.
