| STUDENT ENROLMENT INFORMATION - 2023 | OFFICE USE ONLY | CASES21 Student ID: _____ |
|---|------------------------|---------------------------|

The information requested in this form is required for enrolment purposes. This information is collected to plan for and support the educational needs of students.

This form should be completed by parents or carers who are responsible for enrolling their child. It is the responsibility of the person completing this form to consult with all other adults that need to be involved in the enrolment process. Parents or carers can co-sign the same form or complete separate forms if personal details are unable to be shared between them.

If required information is not provided or there is a dispute between parents or carers about a child's enrolment, the enrolling principal is required to consider the student's education and wellbeing when deciding whether to defer or accept the enrolment.

Only one enrolment form should be submitted per student. By completing and submitting this enrolment form, you are accepting a place for your child at the specified school (subject to any further checks required by the school).

All schools across Australia are expected to collect the same information. Questions marked with a ❖ are asked as a requirement of the Commonwealth Government to meet data collection, funding and reporting requirements under the Australian Education Regulations 2013.
