IMPORTANT INFORMATION FOR PARENTS & CARERS

The start to a new school year can be stressful, especially with what has been a challenging time with COVID during 2020. Our aim is to make the uniform process as stress free as possible. To do this in 2021 we require your assistance, as we are likely to still be restricted as to the number of people allowed in the shop at one time

- Please call ahead of time to book an appointment, not on the day you wish to come in. If you are late you will need to re-schedule. Appointment times will be 15 min, however more time will be allowed for any new students. This applies for all of January and possibly a week or two after school has returned. You don't have to make an appointment but if you fail to do so you may be required to wait outside the store until we can assist you. Appointments will be given first priority
- Please do not handle the uniform unless necessary and adhere to COVID rules when in our store. Staff will assist you.
- Please do not bring siblings or other family members into the store unless absolutely necessary.
- If you are entitled to State School Relief funding, these contributions do not cover the full amount of the uniform. There will be a difference to pay. If another organisation is funding your child's uniform we will require adequate notice to be able to organise a quote and payment by the organisation.
