

MOBILE PHONES – STUDENT USE

PURPOSE

To explain to our school community the Department's and Bendigo South East College's policy requirements and expectations relating to students using mobile phones during school hours.

SCOPE

This policy applies to:

1. All students at Bendigo South East College and
2. Students' personal mobile phones

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Bendigo South East College understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Bendigo South East College:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours (including lunch and recess)
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Bendigo South East College during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Bendigo South East College are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Bendigo South East College does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's Personal Goods policy.

Where students bring a mobile phone to school, Bendigo South East College will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Bendigo South East College students are required to store their phones in a mobile phone locker provided to the student.

UNDER NO CIRCUMSTANCES ARE CHARGING DEVICES TO BE STORED IN THESE LOCKERS

Enforcement

If a mobile device is either used, is visible in class, or heard in class time, the teacher will instruct the student to go to the Student Services Office where the student will lock their phone in a locker and receive a form from the staff member there. The student can collect the phone at 3.17pm by handing the form back to the Student Services Office staff member.

If the student refuses to leave their phone in a locker in the Student Services Office, the Student Services Office staff member will implement the relevant disciplinary provision within the student code of conduct policy.
