

30th November 2021

Dear Parent

Bendigo South East College is looking forward to another great year of teaching and learning and would like to advise you of Bendigo South East College's Parent Payment arrangements for 2022.

Please find the fee schedule for **Year 9** attached. Please complete this form and return to the school by **Tuesday, 25th January, 2022** so the school can prepare accordingly.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all of your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to:

- Provide each student the same laptop with pre-loaded software for the smooth transition of the school curriculum.
- IT Support Staff to support enhanced digital learning opportunities
- Improved WiFi, internet and online communication avenues
- A wider offering of elective subjects and additional curriculum needs
- The upgrade of the school Performing Arts Auditorium
- The upgrade of the school Sports Stadium
- Improved gender-neutral facilities
- Upgrade the Library Loan System
- Additional Sunsafe facilities

For further information on the Department's Parent Payment Policy, please see a one-page overview attached.

Yours sincerely,

Glen Donald
