

Student Expression of Interest for Foundation VCAL in 2021

Student Name: _____

House/Group: _____

The Foundation Victorian Certificate of Applied Learning (VCAL) course is a senior secondary certificate that provides you with practical work-related experience, as well as literacy and numeracy skills that are important for life and work. Like the VCE, the VCAL is a senior secondary qualification and a pathway to many careers and future education.

If you like hands-on learning and would like to go to a TAFE institute, do an apprenticeship or traineeship, or start a job when you finish school, then VCAL may be a good choice. The course is flexible and enables you to undertake a study program that suits your interests and learning needs.

To successfully achieve your VCAL, you need to complete units of study in the following four compulsory strands:

- Literacy
- Numeracy
- Work Related Skills
- Personal Development Skills

We are offering places for students who are studying a VET subject in 2021. Please indicate (**by ticking**) the VET subject you intend to complete in 2021:

- Building & Construction**

 Hospitality

 Automotive

Please indicate the *elective* subjects you are studying this year and those you intend to study in 2021 below:

2020		2021	
Semester One		Semester One	
Semester Two		Semester Two	

There will be an interview process to select students for the 2021 VCAL program. This interview will be asking you to provide evidence of:

- Leadership
- Teamwork
- Organisation
- Motivation and enthusiasm
- Independence
- Work ethic and commitment to learning

We will provide you with the interview questions to prepare beforehand and look forward to considering you as part of this exciting learning path towards your career and future education opportunities.
